

# Summer Menu

Welcome to Feuardorf!

We're thrilled to have you at our culinary hotspot right on Vienna's Danube Canal.

Our kitchen crew, led by Chef Noah Mann, has put together a delicious mix of BBQ-inspired dishes - and we can't wait for you to dig in!

We're all about quality, sustainability, and regional flavors. Our meat comes straight from the Höllerschmid butcher in the Kamptal Valley, and most of our wines are from Austrian winemakers we know and love.

We hope you have an amazing time here and enjoy every moment (and every bite)!
